Contour, water, town line, and road data obtained from the Maine Office of GIS. Projection: Datum: UTM, Zone 19 NAD83 Date: May 4, 2022 Map created by Plisga & Day Land Surveyors

Thank You Landowners
Without the permission of public and private landowners, this trail system would not be possible. We Thank You!
Please note:
This trail system is a work in progress. In the future we plan to expand the network throughout the Carrabasset Region.
Please respect landowners. Ride only on marked trails.
The user of this map bears full responsibility and assumes responsibility for personal injury and/or property damage while using this map.
The Town of Carrabasset Valley and friends will not accept the risk for the safety. Carrabasset Region NEMBA, Carrabasset Valley, and friends will not accept the risk for the safety. Carrabasset Region NEMBA, Carrabasset Valley, and friends will not accept the risk for the safety. Carrabasset Region NEMBA, Carrabasset Valley, and friends will not accept the risk for the safety.

Trail Rules & Safety Information
1. Uphill riders have the right of way. Downhill riders yield to uphill riders.
2. Wear a helmet.
3. Carry in, carry out. Leave no trace. Respect wildlife.
4. Ride only open trails; observe, respect and obey all signage.
5. Stop at all road crossings, slow down at intersections.
6. Ensure water crossings are safe.
7. Stay in control at all times. Pass with care.
8. Share the trail. Yield to pedestrians and other trail users.
9. Many dirt roads are within working forests. Please watch for and yield to logging trucks.
10. Many of our trails are remote. Plan ahead, ensure equipment is working properly and you have spare parts and basic tools.
11. Don't count on cell phones. Please let someone know groups if possible.
12. Always ride with food and plenty of water.
Emergency Information
In the event of a medical emergency, first attempt to use a cell phone to call 911.
If riding in a group of three or more, have at least one person stay with the injured person.
Mark the location of the injured person on a map, and if possible use a GPS to get a coordinate.
Do NOT attempt to move the injured person if a head, neck, or back injury is suspected.
Attempt to keep the injured person warm and dry.
Assist the injured person to the nearest road if the injury is not to the head, neck or back.
